

F1 3 new Schwerpunkte / formations approfondie in cardiology on the way After over 1 year of preparation work and many Zoom-Sessions, in June 2022 the decision was taken by the boards of the working groups of the SCCP, pacemaker & electrophysiology, interventional cardiology and the Swiss Society of Cardiology SSC to pursue the path to create 3 Schwerpunkte/Formations approfondies 'non-invasive cardiology', 'interventional electrophysiology' and 'interventional cardiology'. The colleagues in 'interventional cardiology' and 'interventional electrophysiology' are on their way to develop their own programme. The SSC board intends that each of the 3 Schwerpunkte/Formations approfondies will have to be voted for at the SSC general assembly (earliest June 2024). The SCCP board fully supports the 3 Schwerpunkte/Formations approfondies currently under way. What is your opinion?

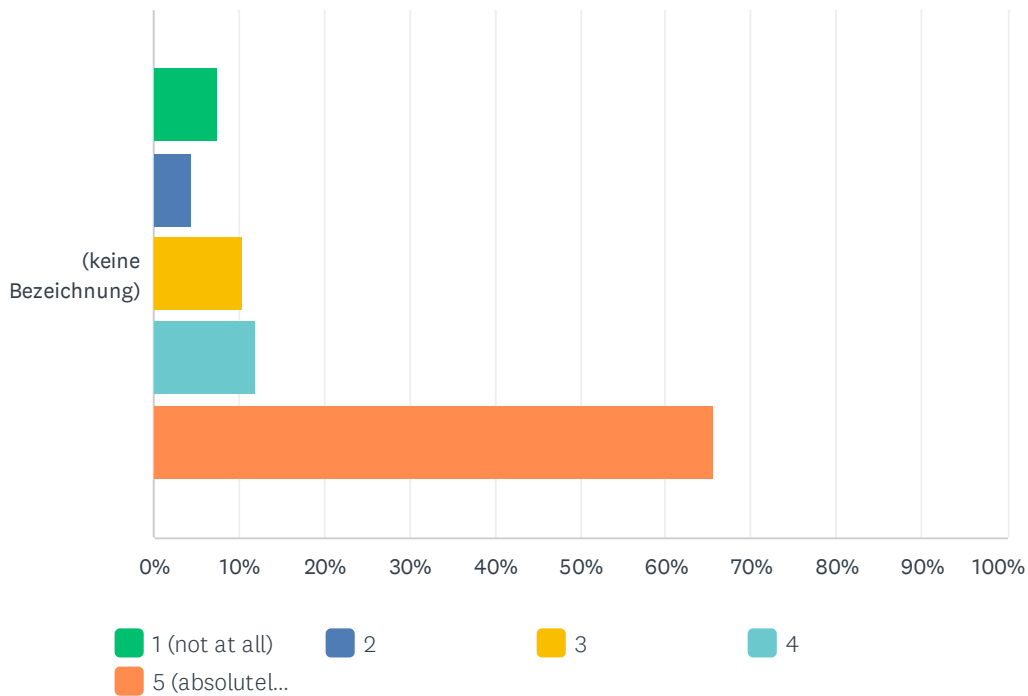

Beantwortet: 68 Übersprungen: 0

	1 (NOT AT ALL)	2	3	4	5 (ABSOLUTELY)	INSGESAMT	GEWICHTETER MITTELWERT
I support a Schwerpunkt/formation approfondie in interventional cardiology	8.82% 6	1.47% 1	5.88% 4	14.71% 10	69.12% 47	68	4.34
I support a Schwerpunkt/formation approfondie in interventional electrophysiology	8.82% 6	1.47% 1	5.88% 4	16.18% 11	67.65% 46	68	4.32
I support a Schwerpunkt/formation approfondie in non-invasive cardiology	14.71% 10	5.88% 4	10.29% 7	10.29% 7	58.82% 40	68	3.93

F2 Task force Schwerpunkt `non invasive cardiology`The SCCP board believes in the importance and need of a Schwerpunkt/formation approfondie `non invasive cardiology`. The majority of cardiologists in both hospitals and private practices work as 'allrounders'. As the field of cardiology evolves, basic training (Facharzttitel/Titre de spécialiste) has to be enhanced with advanced skills and profound knowledge. The Schwerpunkt/formation approfondie `non invasive cardiology` does not primarily pursue financial or political goals. The focus is fully committed to better quality and professionalism. Our Schwerpunkt/formation approfondie will be open to all holders of the Facharzttitel/Titre de spécialiste in cardiology.I support the collaboration of 2 members of the SCCP board and the SSC Weiterbildungskommission/Commission de formation postgraduée in a task force to establish a final proposal Schwerpunkt/formation approfondie `non-invasive cardiology`

(keine Bezeichnung)	7.46% 5	4.48% 3	10.45% 7	11.94% 8	65.67% 44	67	1.00

F3 New Schwerpunkt/formation approfondie `non-invasive cardiology` in comparison to the subspecialties of the ESC. The ESC specialist core curricula cover each subspecialty separately. The SCCP board believes that our integrative and practical approach Schwerpunkt/formation approfondie `non-invasive cardiology` is superior and better reflects our Swiss requirements than the other ESC subspecialty programmes (Adult Transthoracic Echocardiography TTE, Cardiac Pacing CP, Heart Failure HFA, Congenital Heart Disease Echocardiography Echo CHD, Cardiovascular Magnetic Resonance CMR, Cardiac Computed Tomography CCT, Preventive Cardiology EAPC). Our Schwerpunkt/formation approfondie `non-invasive cardiology` optimally reflects our daily practice and brings together the Swiss cardiology community rather than splitting it up into many subspecialties.

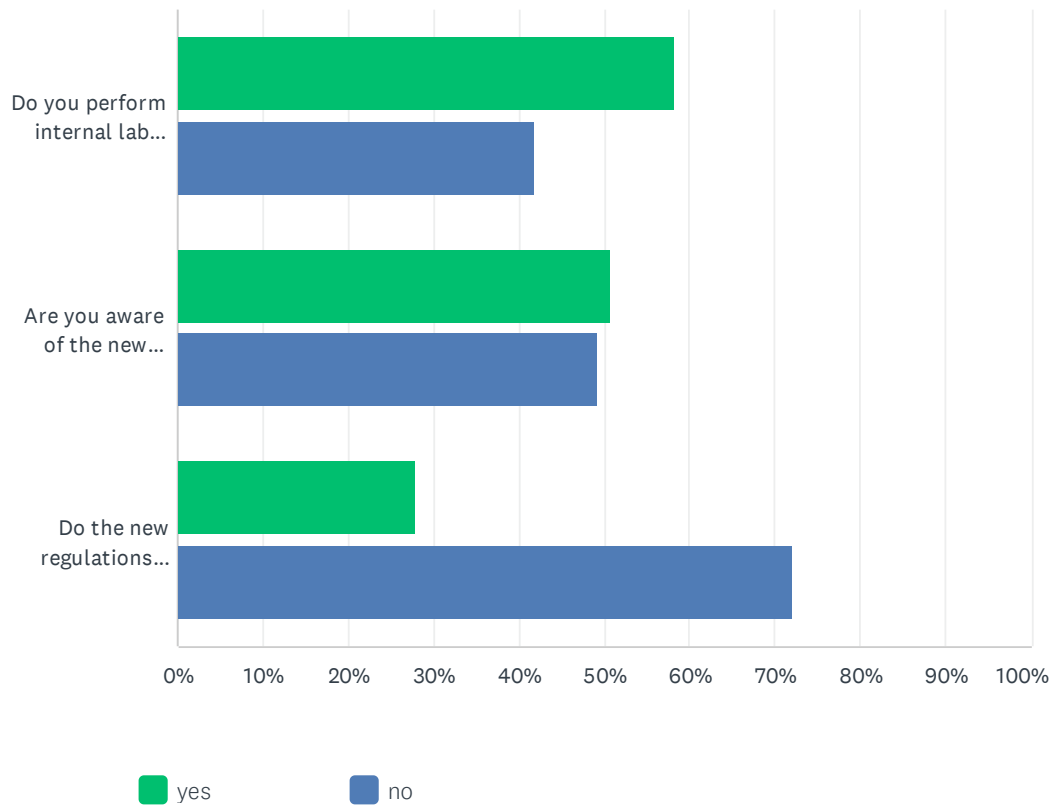

Beantwortet: 67 Übersprungen: 1

	1 (NOT AT ALL)	2	3	4	5 (ABSOLUTELY)	INSGESAMT	GEWICHTETER MITTELWERT
Do you agree that a Schwerpunkt/formation approfondie `non-invasive cardiology` is a superior programme compared to the many ESC subspeciality curricula?	7.46% 5	5.97% 4	17.91% 12	16.42% 11	52.24% 35	67	4.00
Do you prefer the established ESC Curricula?	41.54% 27	29.23% 19	20.00% 13	7.69% 5	1.54% 1	65	1.98

F4 QUALAB-Regulations New QUALAB rules were put into place including strict external (every 3 months) and internal quality (every 2 weeks!) controls. This is a huge problem for most private medical practices, where the numbers of laboratory analysis are low.

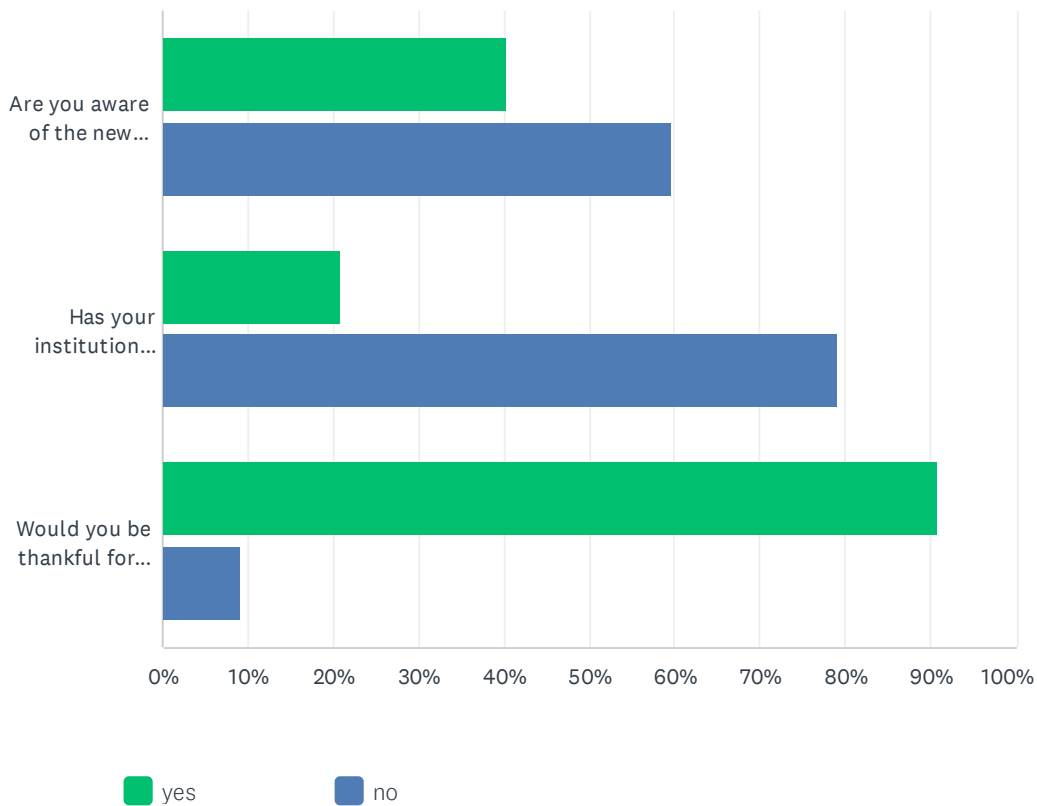

Beantwortet: 68 Übersprungen: 0

	YES	NO	INSGESAMT	GEWICHTETER MITTELWERT
Do you perform internal lab analysis, i.e. point of care (Trop, D-Dimere, BNP) and/or other lab analysis?	58.21% 39	41.79% 28	67	1.42
Are you aware of the new regulations of QUALAB?	50.75% 34	49.25% 33	67	1.49
Do the new regulations affect your future lab analysis, are you planning to give up your private lab?	27.87% 17	72.13% 44	61	1.72

F5 Concept Arbeitssicherheit/sécurité au travail By law each private practice needs a concept for occupational safety and health protection (Arbeitssicherheit/sécurité au travail) for all employees. 'Arbeitssicherheit Schweiz' offers an online tool (Previtar) to support private practices to fulfill the requirements of the new regulations.

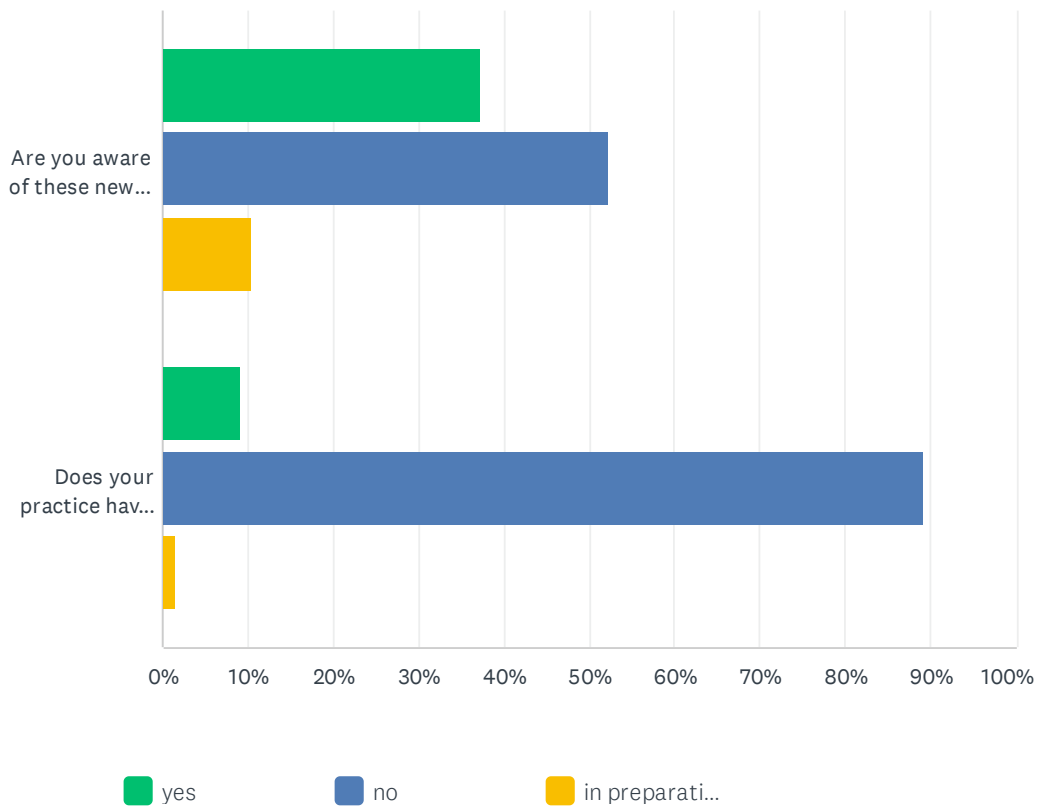

Beantwortet: 67 Übersprungen: 1

	YES	NO	INSGESAMT	GEWICHTETER MITTELWERT
Are you aware of the new regulations for 'Arbeitssicherheit/sécurité au travail'?	40.30% 27	59.70% 40	67	1.60
Has your institution already prepared such a concept?	20.90% 14	79.10% 53	67	1.79
Would you be thankful for official support by the SSC?	90.77% 59	9.23% 6	65	1.09

F6 Quality regulations According to KVG Art 58 (`Stärkung von Qualität und Wirtschaftlichkeit/Renforcement de la qualité et de l'économicité`) quality improvements have to be implemented. The Swiss Society of cardiology SSC has set up a task force to elaborate suitable and feasible quality measures.

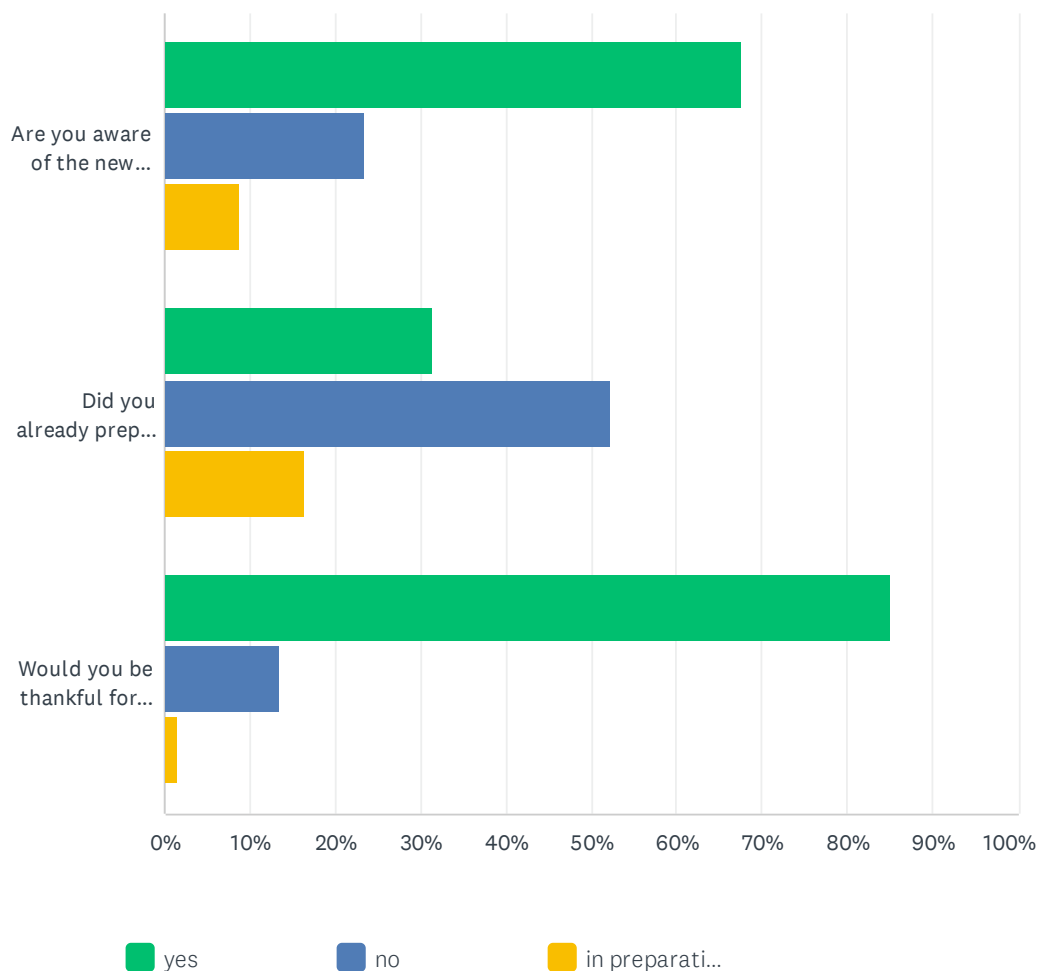

Beantwortet: 67 Übersprungen: 1

	YES	NO	IN PREPARATION	INSGESAMT	GEWICHTETER MITTELWERT
Are you aware of these new quality regulations?	37.31% 25	52.24% 35	10.45% 7	67	1.73
Does your practice have an official quality label (e.g. EQUAM, other?)	9.23% 6	89.23% 58	1.54% 1	65	1.92

F7 Datenschutzgesetz The new Data Protection Act (DSG/LPD) and the new Data Protection Ordinance (VDSG/OLPD), as well as the new Ordinance on Data Protection Certifications (VDSZ/OCPD) (Datenschutzgesetz/loi fédérale sur la protection des données) will enter into force on September 1st 2023. With the total revision, the Data Protection Ordinance will be adapted to the changed technological and societal conditions. In particular, the transparency of data processing will be improved and the self-determination of subjects over their data.

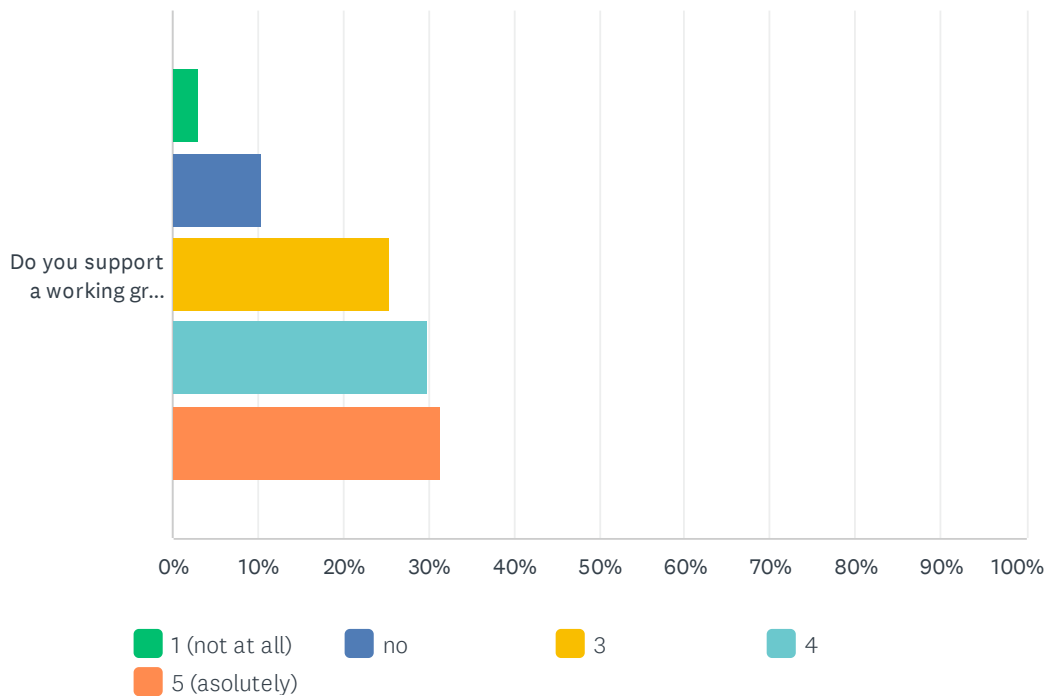

Beantwortet: 68 Übersprungen: 0

	YES	NO	IN PREPARATION	INSGESAMT	GEWICHTETER MITTELWERT
Are you aware of the new Datenschutzgesetz/loi fédérale sur la protection des données?	67.65% 46	23.53% 16	8.82% 6	68	1.41
Did you already prepare yourself and your practice for the new regulations?	31.34% 21	52.24% 35	16.42% 11	67	1.85
Would you be thankful for more information and assistance from the SSC?	85.07% 57	13.43% 9	1.49% 1	67	1.16

F8 Ombudsstelle/bureau de l'ombudsman in Swiss cardiology
 The SCCP board evaluates the possibility of an arbitration office
 (Ombudsstelle/Bureau de l'ombudsman). We believe this would add to
 quality standards in both medical affairs, communication and mutual
 understanding among our society.

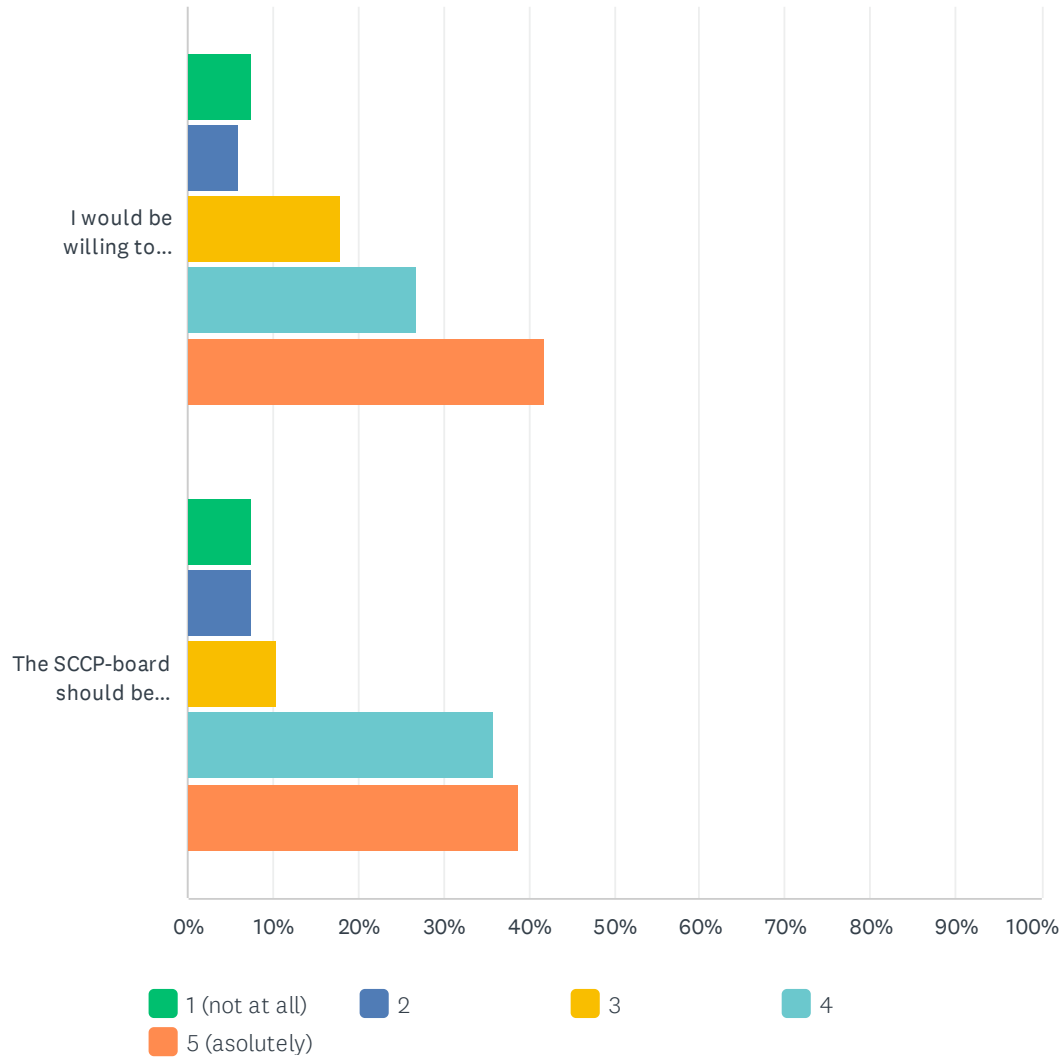

Beantwortet: 67 Übersprungen: 1

	1 (NOT AT ALL)	NO	3	4	5 (ASOLUTELY)	INSGESAMT	GEWICHTETER MITTELWERT
Do you support a working group to establish an arbitration office (Ombudsstelle/bureau de l'ombudsman) in Swiss cardiology?	2.99% 2	10.45% 7	25.37% 17	29.85% 20	31.34% 21	67	3.45

F9 Choosing medical equipment and software can be a complicated and costly or even tricky decision. How do you think about the following ideas?

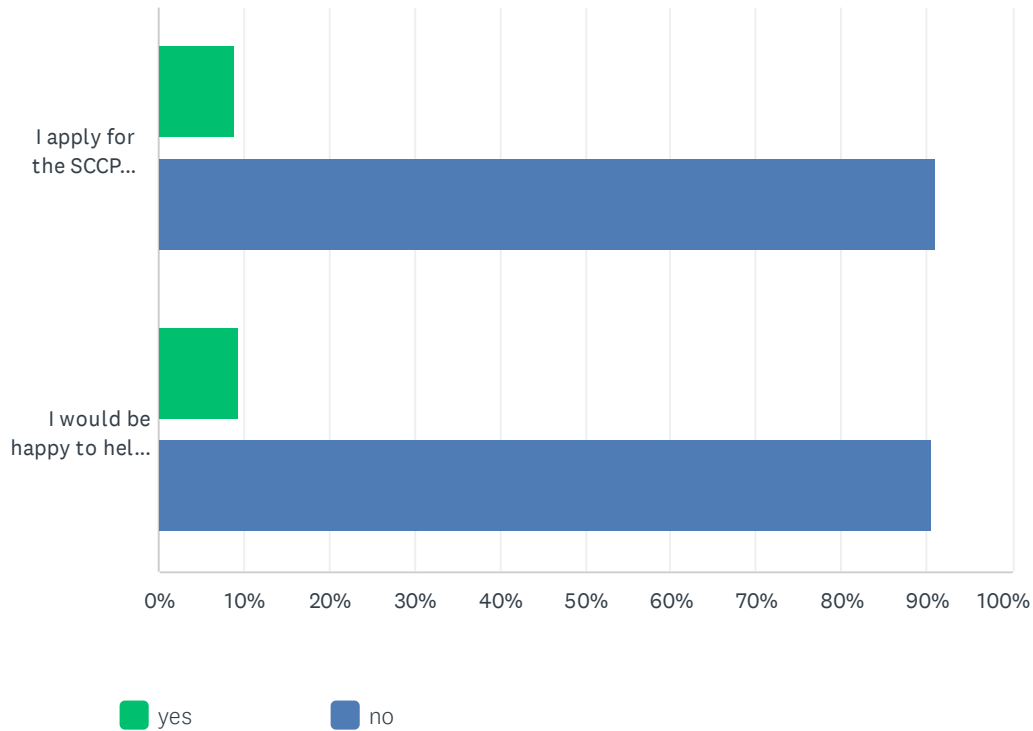

Beantwortet: 67 Übersprungen: 1

	1 (NOT AT ALL)	2	3	4	5 (ASOLUTELY)	INSGESAMT	GEWICHTETER MITTELWERT
I would be willing to share personal experience & information about my hard- & software to the SCCP-members in order to provide overviews and ratings, which then shall be valuable for other colleagues of our community.	7.46% 5	5.97% 4	17.91% 12	26.87% 18	41.79% 28	67	3.48
The SCCP-board should be active and committed in this important topic to get the best practice equipment, hard- & software , e.g. address specific vendors for offers, organizing and coordinating buyer communities etc. – together we are strong.	7.46% 5	7.46% 5	10.45% 7	35.82% 24	38.81% 26	67	3.52

F10 New SCCP-presidents At the SCCP general assembly on June 22nd 2023 a new president shall be elected. Our board proposes Simon Monnard and Fabio Rigamonti as the next co-presidents. The board would welcome other applications for presidency or to our SCCP board.

Beantwortet: 67 Übersprungen: 1

	YES	NO	INSGESAMT	GEWICHTETER MITTELWERT
I apply for the SCCP presidency.	8.96% 6	91.04% 61	67	1.91
I would be happy to help in the SCCP board.	9.38% 6	90.63% 58	64	1.91

F11 Attendance to the SSC annual meeting in Basel, June 21st-23rd, 2023

We hope to see many of you at the SSC annual meeting in Basel June 21st – 23rd, 2023.
